R & A RULES OF GOLF, SECTION 1 - ETIQUETTE; BEHAVIOUR ON THE COURSE

THE SPIRIT OF THE GAME

Golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be.

This is the spirit of the game of golf.

PACE OF PLAY

Play at a Good Pace and Keep Up

Players should play at a good pace. The Committee may establish pace of play guidelines that all players should follow.

It is a group's responsibility to keep up with the group in front. If it loses a clear hole and is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group.

Where a group has not lost a clear hole, but it is apparent that the group behind can play faster, it should invite the faster moving group to play through.
